Dear Community Partner,

The success of our football program requires community participation and the generous support of our local businesses. Please, do what you can – attend games, cheer on our teams and advertise your business.

By purchasing a banner or ad for our program, your advertisement will appear at every home football game for our 2013 season. Your sponsorship will offset some of the cost of running our football program and your ad will be viewed by hundreds of parents, friends, students and fans. It's a win-win for everyone!

Follow the steps below to advertise your business and lend your support to our players.

Thank you!
